# HB & HB2 Series

## Changes to Production for HB Illuminated Pushbuttons & Indicators, HB2 Illuminated Pushbuttons

Type of Change:

- Engineering     Part Number
- Product         Appearance

Production Revisions for HB & HB2 Series

1. There will be production changes for HB illuminated switches and indicators and HB2 illuminated switches. The logo will be updated, and the lot number on the switches will have a dot mark above the second digit. The box in which the switches are packaged for shipping will read "PHILIPPINES FACTORY" instead of "JAPAN FACTORY." All of these modifications will apply to standard, custom and approved devices for both series. The standard part numbers are on page 2.

	Logo	Lot Number	Shipping Box
<b>Before Changes</b>	Older NKK Logo  	Example of Lot Number with No Dot Mark  74	 "JAPAN FACTORY" printed on side of box
<b>After Changes</b>	Updated NKK Log  	Example of Lot Number with Dot Mark Above Second Digit  7 <sup>•</sup> 4	 "PHILIPPINES FACTORY" printed on side of box

**Notes**

There are no changes to HB or HB2 Series dimensions or specifications. The location of logo or lot number on devices or location of manufacture on shipping boxes may vary depending on part number. Contact the factory if more details are needed.

* HB Illuminated Pushbuttons, Standard or Standard with UL Approval			
HB15CKW01	HB15SKW01	HB16CKW01	HB16SKW01
* HB Indicators

## HB Series

### Changes to Production for HB Illuminated Pushbuttons & Indicators

Type of Change:

- Engineering     Part Number  
 Product         Appearance

2. HB Series illuminated pushbuttons and indicators will have a change on the switch case to include both standard and custom devices. The place of manufacture will no longer appear on the switches. The standard part numbers included in the change are shown below.

Identification			
Before Change		After Change	
"JAPAN" on Switch Case		"JAPAN" on Switch Case Removed	
* HB Illuminated Pushbuttons, Standard or Standard with UL Approval			
HB15CKW01	HB15SKW01	HB16CKW01	HB16SKW01
* HB Indicators			
HB01KW01		HB02KW01	

\* Includes all LEDs, cap shapes, types & colors

### Changes to Production for HB Illuminated Pushbuttons with UL Approval

3. HB Series illuminated pushbuttons with UL approval will have a change on the switch to include both standard and custom devices. Previously, the UL symbol appeared without a factory code. After the change, the code "080" will appear to the upper right of the UL symbol as illustrated here. The standard approved part numbers included in the change are shown below.

UL Factory Code	
Before Change	After Change
UL Approval without Factory Code	UL Approval with Factory Code
	

**Notes**

There are no changes to HB or HB2 Series dimensions or specifications.  
Contact the factory if more details are needed.

HB Illuminated Pushbuttons with UL Approval			
HB15CKW01/U	HB15SKW01/U	HB16CKW01/U	HB16SKW01/U

**Effective Date**

HB and HB2 Series production changes will be effective December 2017.
