Changes to Production & Location for MRA, MRF & MRK Rotaries

Type of Change:

- Engineering Part Number
- Product Appearance

I. There will be production changes for MRA, MRF and MRK switches, the miniature process sealed rotaries. The lot number on the switch will be modified to have a dot mark above the first digit. The location of production will change, and the box in which the switches are packaged for shipping will read "CHINA FACTORY" instead of "JAPAN FACTORY." These modifications will apply to standard and custom products.

Changes for Miniature Process Sealed Rotaries

	Lot Number	Shipping Box
Before Changes	Example of Lot Number without Dot Mark 70	<p>"JAPAN FACTORY" printed on side of box</p>
After Changes	Example of Lot Number with Dot Mark Above First Digit •70	<p>"CHINA FACTORY" printed on side of box</p>

Notes

There are no changes to the switches' dimensions or specifications. The location of the lot number on the switch and the location of production on the box may vary depending on the part number. Contact the factory if more details are needed.
