- Part Number
- Product
- Appearance

Changes for YB Spot Illuminated Caps

There will be a production change for YB Spot Illuminated Caps with built-in LEDs. The location of production will change for AT3010 square, AT3011 round and AT3012 rectangular caps, and the box in which the switches are packaged for shipping will read "CHINA FACTORY" instead of "JAPAN FACTORY." These modifications will apply to standard and custom products.

	Before Change	After Change
Shipping Box	<p>"JAPAN FACTORY" printed on side of box</p>	<p>"CHINA FACTORY" printed on side of box</p>

Notes

There are no changes to the cap assembly's dimensions or specifications. The location of production on the box may vary depending on the part number. Contact the factory if more details are needed.

• YB Spot Illuminated Caps Effected by Production Location Change		
AT3010 Square	AT3011 Round	AT3012 Rectangular
* Includes all LED colors, single or bicolor, with or without resistor, and all lens/insert colors		

Effective Date

Changes to the production location of YB Series spot illuminated caps will be effective June 2018.
