Changes to Production & Location for SK Low & Medium Security Keylock Switches

Type of Change:

- Engineering Part Number
 Product Appearance

I. There will be several changes for the low and medium security SK switches. "Japan" will no longer be displayed on the switch case, the older logo will be replaced with the updated NKK logo, the lot number on the switch case will have a dot mark above the second digit, and the box in which the switches are packaged for shipping will read "PHILIPPINES FACTORY" instead of "JAPAN FACTORY." All of these revisions will apply to standard, custom and UL/CSA approved products. Effected standard part numbers for SK are on the table below.

Changes for SK Keylocks

	Switch Case	Identification	Lot Number	Shipping Box
