Changes to Production & Location for IS Series SmartSwitches

Type of Change:

- Engineering Part Number
 Product Appearance

I. There will be changes for several of the IS Series switches. The lot number on the switch case will have a dot mark above the first digit, and the box in which the switches are packaged for shipping will read "CHINA FACTORY" instead of "JAPAN FACTORY." These revisions will apply to standard and custom SmartSwitches. Effected standard part numbers are displayed below.*

	Lot Number	Shipping Box
Before Changes	Example of Lot Number 84	 "JAPAN FACTORY" printed on side of box
After Changes	Example of Lot Number with Dot Mark Above First Digit 84	 "CHINA FACTORY" printed on side of box

Notes

There are no changes to the switches' dimensions or specifications.
 The location of the lot number on switch case may vary depending on the part number.
 Contact the factory if more details are needed.

IS Series Part Numbers			
ISF15ACP4 Frameless OLED Pushbutton 	ISC15ANP4 OLED Pushbutton 	ISC01P OLED Display 	IS18WWC1W OLED Rocker <i>*The production and location changes for the IS18WWC1W OLED Rocker have been CANCELLED. This decision is effective upon the January 2019 release of CN-0332 Revised, and includes both the standard and custom OLED Rockers. All other changes will be administered as initially announced.</i>

Effective Date

The IS Series changes will be effective January 2019. Production changes were also released with Contact No. 239.
